Florida Department of State
Office of International Affairs

Housed within the Florida Department of State, Division of Arts and Culture, the Office of International Affairs facilitates consular relations between the state and all foreign governments doing business in Florida.

The Office of International Affairs also works with the Department of Economic Opportunity and Enterprise Florida to act as an intermediary between performing musical, cultural and artistic organizations and Florida businesses to encourage and coordinate joint undertakings. Such coordination may include, but is not limited to, encouraging business and industry to sponsor cultural events, assistance with travel of such organizations and coordinating travel schedules of cultural performance groups and international trade missions. Please reach out to the office's staff if we may be of any assistance.

The Florida Secretary of State is the State Protocol Officer and serves as a contact for the state with the Florida Washington Office, the Florida Congressional Delegation and United States Government agencies with respect to laws or policies that may affect the interests of the state in the area of international relations. In addition, the State Protocol Officer serves as liaison with other states with respect to international programs of interest to Florida. The State Protocol Officer has the power and duty to encourage the relocation to Florida of consular offices and multilateral and international agencies and organizations. For more information, please refer to Florida Statute 288.716.

A sister city, county, or state relationship is a broad-based, long-term partnership between two communities in two countries. A relationship is officially recognized after the highest elected or appointed official from both communities signs off on an agreement to become sister cities.

A city may have any number of sister cities with community involvement ranging from a half dozen to hundreds of volunteers. In addition to volunteers, sister city organizations can include representatives from nonprofits, municipal governments, the private sector, and other civic organizations.

Each sister city organization is independent and pursues the activities and thematic areas that are important to them and their community including municipal, business, trade, educational, and cultural exchanges and projects with their sister city.

The following listing was provided by Sister Cities International, a nonpartisan 501(c)(3) nonprofit which serves as the national membership organization for individual sister cities, counties, and states across the United States. This network unites tens of thousands of citizen diplomats and volunteers in nearly 500 member communities with over 2,000 partnerships in more than 140 countries.
