

The Florida Chamber of Commerce is currently organizing its premier annual Tallahassee event, *Capitol Days*, to be held at the Hotel Duval in Tallahassee, Florida on January 11-13, 2012. This event is designed to bring together CEOs, small business leaders, local chamber executives and elected officials from across the state to discuss Florida’s transitioning economy and business priorities for the upcoming legislative session. It is an excellent opportunity for organizations to market themselves to other top Florida businesses.

Events include a networking reception, panel discussions with Cabinet members and top Agency Heads, a Capitol Briefing with key legislators, a governmental affairs luncheon with leadership from the Florida Senate & House, and more. Below is a listing of available sponsorship opportunities:
