

2017-2018 CONSTITUTION REVISION COMMISSION

MEET YOUR CRC MEMBERS

In 1968, Florida became the only state that allows for its state constitution to be revisited and changed through a regularly scheduled commission called the Constitution Revision Commission (CRC). The CRC, which meets every 20 years, is a group of 37 commissioners who examine the relevance and applicability of Florida's Constitution to current and future needs. Meet members of the third CRC.
