BUILDING THE PERFECT CLIMATE FOR BUSINESS

As one of the nation's top business climates, Florida needs to remain focused on being globally competitive. While Florida boasts a growing economy and job creation numbers that outpace the national average, Florida also bears the title as the second worst "Judicial Hellhole" in the nation. To ensure Florida is on the right path toward becoming the number one business climate by 2030, we will continue to work to create world-class opportunities for companies, entrepreneurs, employees and students.

Pro-Biz / No-Biz	Bill Name	Bill Sponsor(s)	What it Means to Your Business	Outcome
