

Florida's Strategy to Diversify the Economy and Grow High Wage Jobs

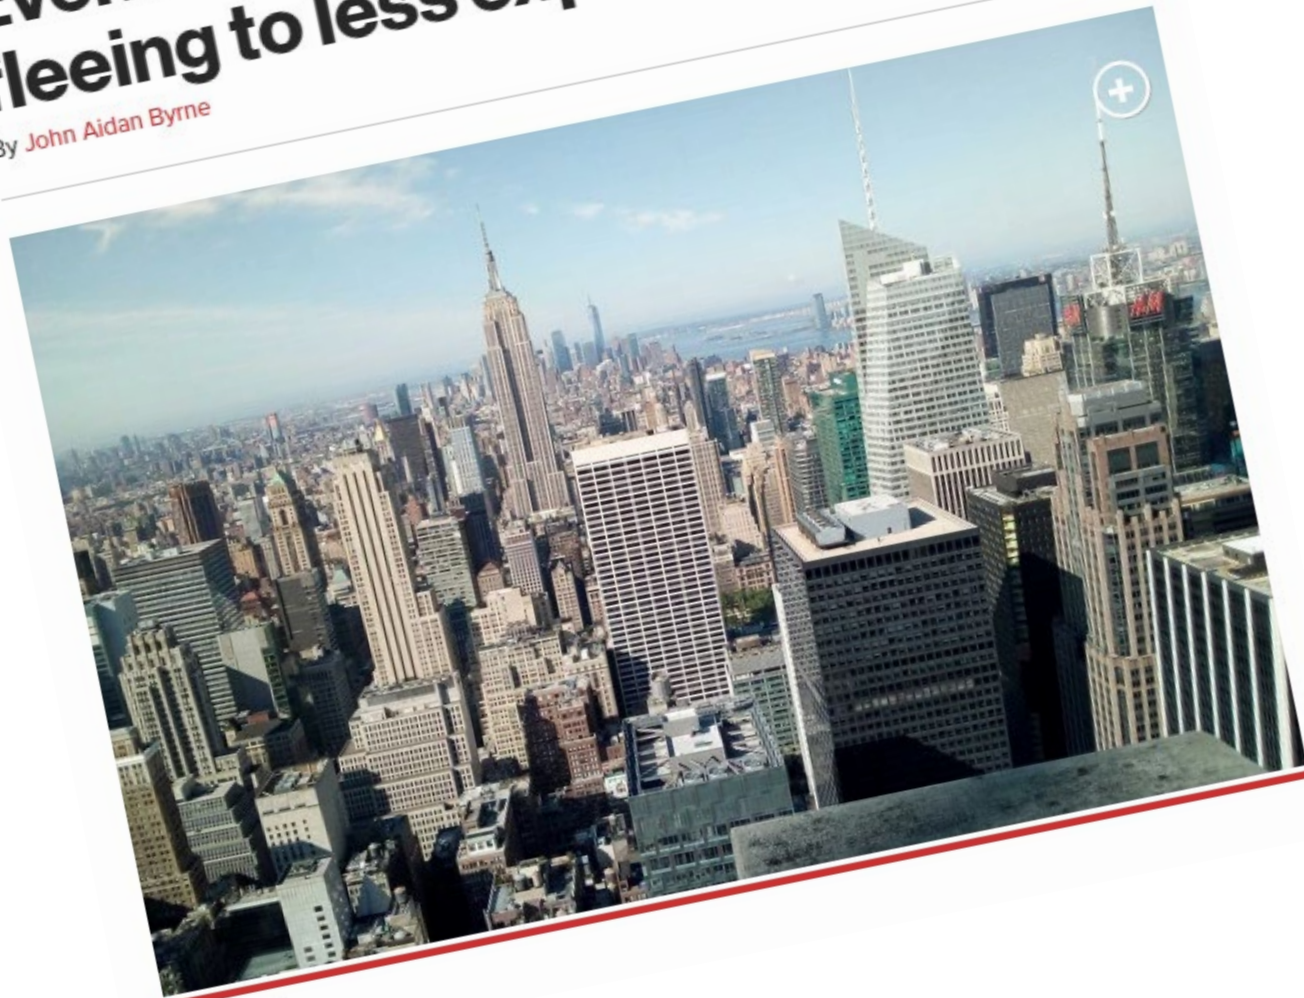

BUSINESS

Even New York's millionaires are fleeing to less expensive cities

March 30, 2019 | 9:56pm

By John Aidan Byrne

“There are many relocating — and if you see financial service firms expanding in future, it will be to Tampa, Fla., and Austin, Texas, and other places where it’s not as expensive to live as New York. .It’s showing up in the numbers.” – NY CEO
