Ending Generational Poverty

901,772 kids under-18 living in poverty

Florida 2030 Goal: Less than 10% of Florida children live in poverty and 100% have a pathway out

- Florida has 943 zip codes
- Half of all children in poverty live in 15% of Florida's zip codes (148)

“Some community issues are too massive for any single nonprofit to solve and yet too important for community leaders to ignore.

Family and youth homelessness is one such issue for communities around the country.”
