# Third Grade Reading MATTERS

### **4x**

read proficiently by the end of third grade are four times more likely to drop out of high school.

### **6**x

And if the child also lives in poverty, they are also six times more likely to drop out of high school.

Lack of 3rd Grade Reading Skills casts a lifelong shadow.

# Florida Chamber Foundation's Business Alliance for Early Learning

#### WHO WE ARE

In support of our goals to have **100 percent** of children ready for kindergarten and **100 percent** of third graders reading on grade-level by the year 2030, the Florida Chamber Foundation established the Business Alliance for Early Learning to tackle a number of issues impacting children today and engage businesses, families, and community leaders in securing Florida's future.
