SPECIAL EDITION - ORGANIZATION SESSION

Organization Session Recap
The Florida House and Florida Senate conducted their biennial, and largely ceremonial, Organization Session on Tuesday. This mini session is constitutionally required to be held 14 days after the General Election for the purpose of organization and selection of officers. Due to COVID-19 public health and safety protocols (see the Senate Memo and House Guide outlining each chamber's measures), the day felt very different than years' past. However, during the designation speeches and subsequent media availabilities of House Speaker Chris Sprowls and Senate President Wilton Simpson, several priorities and policy items were discussed in varying levels of detail. Here are links to each presiding officers’ full remarks (Sprowls Remarks; Simpson Remarks) and their individual media availabilities (Sprowls Presser; Simpson Presser). For a recap and analysis of what was said about these policy items, the impact on the business community, and how you can get involved in driving the business community’s annual competitiveness agenda, click here.

2021 Committee Weeks Announced
This year there will be no December committee weeks, and updated COVID-19 safety guidelines will be ready by December 30 for the five interim committee weeks in January and February. The full 2021 interim committee meeting schedule can be found here. The regular 2021 Legislative Session will convene on Tuesday, March 2, 2021.
The Big Picture: Following the election in November, certain leadership appointments for the 2020-2022 Legislative Term were announced for both the Florida Senate and the Florida House. In the Senate, Senator Aaron Bean has been nominated by President Wilton Simpson to serve as the Senate President Pro Tempore, Senator Debbie Mayfield as Republican Majority Leader, and Senator Kathleen Passidomo will serve as the Rules Chair.

On Wednesday, Senate President Wilton Simpson announced the Senate’s 2020-2022 committee chair and vice chair assignments. In his memorandum to Senators, President Simpson noted the addition of a Select Committee on Pandemic Preparedness and Response, which aligns with the creation of a similar committee in the House. The full list of 2020-2022 committee chairs and vice chairs can be found here.

Yesterday, President Simpson released committee assignments through the following memorandum. The complete list of committee compositions can be viewed here.

Senate President Simpson also released changes to the Senate rules. A summary of changes accompanied the rules primary change of note was to permit the President to authorize a recessed committee meeting to reassemble on the same day at another place and time to consider items not reached on the original notice. The rule change further permits the President to allow an authorized recessed meeting to convene and continue to meet past 6:00 p.m. This could portend some late evenings during the 2021 session.

Florida House of Representatives
Congratulations Speaker Chris Sprowls
78-42 Republican Majority; Republicans Gain 5 Seats
The Big Picture: In the House, Representative Bryan Avila will serve as the Speaker Pro Tempore, alongside the following House Leadership team including full committee chairs. Speaker Chris Sprowls also announced changes to the House Committee Structure, which can be viewed here. Speaker Sprowls has hinted that full committee and subcommittee assignments would be announced in mid-December.

Speaker Sprowls has released the new Rules and procedures of the Florida House of Representatives. The House memo and graphic highlight a few of the changes including an increase in the House Member bill limit from 6 to 7 bills; pushing the House Bill Drafting deadlines to January 19, 2021, for a member’s first two bills, and January 29, 2021, for the remainder; and prohibiting the funding of an appropriations project at less than 50% of the requested amount. More details are covered in The Guidebook on Changes to the House Rules and in House Resolution 1-O which contains the complete set of Rules for the 2020-2022 term.

The Money Race
Out of State Money Poured into Florida Elections

The 2020 Election saw an unprecedented amount of spending by out of state anti-business groups spending hundreds of millions of dollars in Florida. Mike Bloomberg spent more than $36 million through his super PAC, Independence USA, in Florida between the months of September and November. While Forward Majority spent tens of millions of dollars attempting to flip the state senate and state house in Florida. Florida is the ultimate prize for out of state donor groups looking to change legislatures and cabinets and that spending will increase as Florida heads into 2022.

It's funding like this that makes our efforts that much more important. The clock is now ticking to the 2022 Election so we need you to get involved now. To learn more and make a contribution with a Florida Chamber Political Committee, click the link below.
