2022 ELECTION GUIDE

Dear Fellow Floridians,

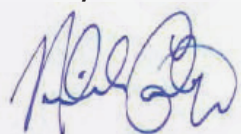

As the Florida Chamber stands firmly on its mission of Securing Florida's Future and serves as the leading voice of business and the driving force for Florida's future, we are pleased to provide our 2022 Election Guide to serve as your trusted resource for the upcoming General Election.

With all of the noise in political campaigns, it can be difficult to understand and compare the candidates and issues. This nonpartisan, pro-jobs, guide helps voters better understand the candidates and amendments on this year's ballot. This November, the Governor, Florida Cabinet, all 120 Florida House seats, 40 Florida Senate seats, 1 US Senate seat, and 28 Congressional seats are up for election. Additionally, there are 3 proposed Amendments to the Florida Constitution.

The Florida Chamber intends for this voter guide to provide Floridians with the information they need before heading to the polls and having their voices heard on Tuesday, November 8th. We encourage you to share this guide with employees, vendors, family, friends, neighbors, and colleagues to support greater participation in our electoral process.

If at any time you have questions about this November's election and the choices facing you on the ballot, I encourage you to contact us.

Best,

Nick Catroppo

Vice President of Political Operations
Florida Chamber of Commerce
850-521-1200

CONSTITUTIONAL AMENDMENT HISTORY

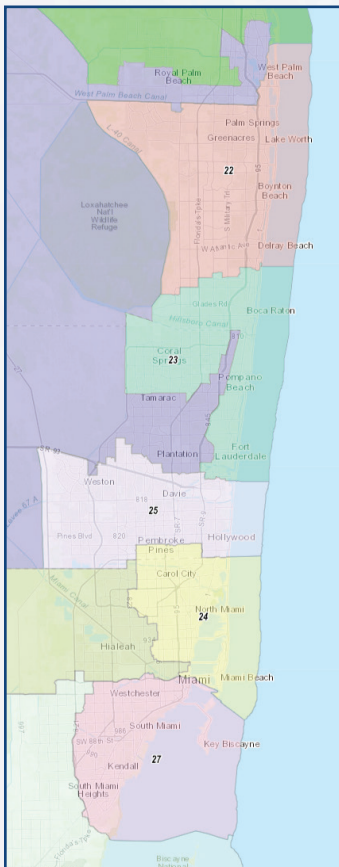

The Florida Chamber has long opposed placing issues into Florida's Constitution that can be solved through the legislative process. While we recognize that sometimes constitutional amendments are necessary to preserve the integrity of Florida's political system, they should—as with the U.S. Constitution—be considered only under “great and extraordinary occasions.” While our nation's Constitution has only been amended 27 times, since 1970, Florida's Constitution has been amended more than 140 times with 3 more proposals this year.
