

BOARD OF TRUSTEES

FLORIDA CHAMBER FOUNDATION BOARD OF TRUSTEES

Florida's leaders serving as Foundation Trustees have the unique opportunity to position Florida as the national example of free enterprise, job creation and proven results.

As a Foundation Trustee you will meet with other thought leaders and futurists from across the state to help steer Florida toward long-term solutions. The Florida Chamber Foundation is a statewide, business-led, non-partisan research and future-oriented think tank working in partnership with regional and state leaders to secure Florida's future. Founded in 1968, the Foundation is an essential voice for improving Florida's pro-business climate to enable Florida to grow and provide pathways to prosperity for all Floridians.

Since its inception, the Florida Chamber Foundation has brought together some of the best and brightest minds from the business community to position our state for success. To provide solutions and direction for Florida, it is essential to have the right people and organizations engaged in a long-term view on how to make Florida more globally competitive.

Foundation Trustee expectations are to:

- 1) Provide direction, ideas and oversight to the Florida Chamber Foundation. The Board of Trustees meet a minimum of three times a year, generally in conjunction with the Florida Chamber of Commerce Board of Directors meetings.
- 2) Participate as a thought leader in one of the Six Pillars of your choosing and in one or more of the statewide Six Pillars Caucuses.
- 3) Invest a minimum of \$10,000 in Trustee dues per year and assist fellow Trustees in outreach efforts to raise additional investments to support the Foundation's mission.
- 4) Participate in the implementation of Florida's long-term strategic plan: Florida 2030 Blueprint. The three-year research project was completed and key targets and strategies were released at the 2018 Future of Florida Forum. This is a roadmap to the future.

As a 501(c)(3) charitable organization, contributions, including Trustee dues, are deductible as charitable gifts for federal income tax.
