A guide to the candidates and constitutional amendments that support free entprise, growing the economy, and securing Florida's future.

2026 ELECTION GUIDE

FRANK WALKER

Dear Fellow Floridians,

As the Florida Chamber of Commerce stands firmly on its purpose of Securing Florida's Future and serves as the leading voice of business and the driving force for Florida's future, we are pleased to provide our 2026 Election Guide to serve as your trusted resource for the upcoming General Election.

With all the noise in political campaigns, it can be difficult to compare and make informed decisions on the candidates and ballot initiatives before you. This nonpartisan, pro-jobs guide will help voters better understand the candidates and amendments on this year's ballot. This November, all 120 Florida House seats, 21 Florida Senate seats, and all 28 Congressional seats are up for election. At the top of the ballot this year, Floridians will make their choice for U.S. Senator, Governor and the entire Florida Cabinet. Additionally, there are 3 proposed Amendments to the Florida Constitution.

The Florida Chamber intends for this voter guide to provide Floridians with the information they need before heading to the polls and having their voices heard on Tuesday, November 3. We encourage you to share this guide with employees, vendors, family, friends, neighbors, and colleagues to support greater participation in our electoral process. Most importantly, we encourage you to exercise your civic duty by voting in the election, so this guide outlines key dates and other information for registering to vote and casting your ballot.

If you have questions about the candidates or the amendments on the ballot, I encourage you to contact us.

Respectfully,

Frank C. Walker III

FLORIDA SUPREME COURT

The following justice is running for retention and does not have an opponent. The Florida Chamber of Commerce does not endorse in judicial races.

2026 FLORIDA SUPREME COURT JUSTICE RETENTION

Justice Carlos G. Muñiz

CONSTITUTIONAL AMENDMENTS

Thanks to a Florida Chamber-backed amendment to the Florida Constitution, each proposed amendment requires 60% voter support on each question before the measure becomes part of the Florida Constitution. The three amendments on the 2026 ballot were placed on the ballot by the Florida Legislature.

AMENDMENT 1
Budget Stabilization Fund

Florida Chamber Position: No Position
Date Signed and Filed: June 17, 2025
Senate Roll Call: 29 Yeas, 4 Nays
House Roll Call: 100 Yeas, 1 Nay

Official Ballot Summary: Proposing an amendment to the State Constitution to increase the amount of funds that may be retained in the budget stabilization fund from 10% to 25% of general revenue collections, require the legislature to transfer the lesser of $750 million or the amount required to reach 25% of the general revenue collections each year unless certain conditions are met, and allow the legislature to withdraw funds for critical state needs.

AMENDMENT 2
Exemption of Tangible Personal Property on Agricultural Land from Taxation

Florida Chamber Position: Support
Date Signed and Filed: June 18, 2025
Senate Roll Call: 37 Yeas, 0 Nays
House Roll Call: 110 Yeas, 1 Nay

Official Ballot Summary: Proposing an amendment to the State Constitution to exempt tangible personal property habitually located or typically present on land classified as agricultural, used in the production of agricultural products or for agritourism activities, and owned by the landowner or leaseholder of the agricultural land from ad valorem taxation. If approved this amendment would first apply for tax years beginning January 1, 2027.

AMENDMENT 3
Increased Homestead Exemption; Lower Cap on Increases in Non-Homestead Property Assessments

Florida Chamber Position: No Position; To learn more about the consequences of this proposal on Florida homeowners, renters and local businesses, visit www.flchamber.com/Amendment3.
Date Signed and Filed: June 16, 2026
Senate Roll Call: 30 Yeas, 9 Nays
House Roll Call: 75 Yeas, 26 Nays

Official Ballot Summary: This amendment increases the homestead exemption, for all non-school taxes, to $150,000 in 2027 and $250,000 in 2028, and adjusts for inflation thereafter. It requires the Legislature to prescribe a uniform procedure for counties and municipalities, for their respective levies, to increase the homestead exemption up to full assessed value, and allows special districts, subject to referendum approval, to do the same. Persons who are not Florida residents on December 31, 2026, will receive the existing homestead exemption upon qualifying for a homestead exemption, with the increased homestead exemption beginning with the fifth year of exemption, to the extent permitted by the U.S. Constitution. This amendment reduces the annual cap on assessment increases for non-homestead properties from 10% to 5%. This amendment requires counties and municipalities to use property taxes solely for public safety, education and schools, infrastructure, natural resources, bond debt service, retirement benefits for employees, and operations and administration. Other expenditures may be approved by county officers or county or municipal governing bodies unless prohibited by general law, notwithstanding Article VII, Section 9(a) of the Florida Constitution, which allows counties and municipalities to levy property taxes for their respective purposes. This amendment takes effect January 1, 2027.

CONSTITUTIONAL AMENDMENT HISTORY

The Florida Chamber has long opposed placing issues into Florida's Constitution that can be solved through the legislative process. While we recognize that sometimes constitutional amendments are necessary to preserve the integrity of Florida's political system, they should—as with the U.S. Constitution—be considered only under "great and extraordinary occasions." While our nation's Constitution has only been amended 27 times, since 1970, Florida's Constitution has been amended more than 145 times with 3 more proposals this year.

2002

FLORIDA'S PREGNANT PIGS

Florida voters place the protection of pregnant pigs into the Florida constitution to go into effect in 2008. An issue that could have been handled through state or local ordinances now lives on the state's most precious governing document.

2003

VOTESMARTFLORIDA.org

The Florida Chamber begins the Constitutional Amendment Change Process and uncovers significant signature-gathering fraud. VOTESMARTFLORIDA.org, a nonpartisan educational website with more than 65 partners, was born and voters are empowered to learn how constitutional amendments affect them.

2004

PETITION FRAUD ADDRESSED

The Florida Chamber fights against groups that pay for petition signatures and successfully passes Amendment 2. Working to eliminate petition fraud returns the process to citizens and reduces the influence of special interests.

2005

CALIFORNIA POLITICS DON'T WORK FOR FLORIDA

Well-funded interest groups seek to shortcut Florida's representative democracy and destabilize Florida's economy by lobbying for a California-type statutory initiative process. The Florida Chamber successfully advocates against this initiative.

2006

AMENDMENT THRESHOLD INCREASED

The Florida Chamber raises the threshold to pass constitutional amendments from a simple majority to 60 percent, limiting special interest groups from making unnecessary constitutional amendments.

2010

NO ON 4 CAMPAIGN PROTECTS TAXPAYERS

The Florida Chamber champions the defeat of the Amendment, which threatens higher taxes, costly lawsuits, job loss and extra burdens to taxpayers. Special interest groups like Hometown Democracy would have required all growth plan changes to be decided by voter referendum, no matter how minor-delaying growth projects and making Florida less competitive.

2011

FLORIDA'S SIGNATURE STATUTE AMENDED

Florida Chamber-backed legislation passes making petition signatures good for two years, instead of four, continuing to prevent petition fraud.

2014

FLORIDAWINS.org

Florida Chamber launches FloridaWins.org, a nonpartisan educational web-based tool providing fact-based information for employers to share with their employees on the issues that matter.

FLORIDA SAYS 'NO' TO LEGALIZING DRUGS

Florida Chamber leads the charge to successfully stop the legalization of drugs in our state by not allowing marijuana in Florida's constitution. In 2014, Governor Scott signs into law "Charlotte's Web" —which allows low-THC, non-psychoactive cannabis to be used to treat severe epilepsy and cancer-proving that this is an issue that can be handled in Florida's legislative process and does not belong in the constitution.

2018

PUT VOTERS BACK IN CHARGE OF GAMBLING DECISIONS

The Florida Chamber of Commerce supported Amendment 3, protecting Florida's unique quality of life which is essential to maintaining our state's family-friendly brand.

2025

RETURNING THE INITIATIVE PROCESS TO FLORIDIANS

Chamber's advocacy in support of legislation that passed in 2019, 2020, and 2025 further takes back the citizen's initiative process from out-of-state billionaires and returns it to Florida citizens.
